Academy Stars

Alphabet Book

SECOND EDITION

Aspire to excellence!

Academy Stars Second Edition is a highly acclaimed primary course which helps pupils to excel in their learning journey.

Make learning English memorable

The *Graphic Grammar* animations, new *Grammar Booster*, new *Extra Stars* communicative activities, and new readings and listenings collectively lay down solid foundations for pupils' future success in learning English.

Prepare for exam success

Extra Cambridge Young Learners exam activities and a focus on developing learning skills all promote learner autonomy and prepare pupils for success in exams.

Cultivate a sense of active global citizenship

Activities focused on Education for Sustainable Development & Citizenship and Social & Emotional Learning help pupils to become responsible citizens.

Enhanced digital experience

Navio App provides gamified language practice in immersive 3D worlds that encourages students to repeat activities, creating opportunities for better language acquisition.

Digital platform for teachers contains a Classroom Presentation Kit with integrated audio, video and interactive activities, helping to deliver stimulating lessons. All useful files and documents are available at the click of a button.

Please see inside the front cover for the minimum system requirements and other terms and conditions for the digital components of the course.
